SUNDAY WORSHIP SERVICE – JULY 10, 2022

Sermon – “Don’t Pull an Elijah” (Rev. Dr. Victor Lujetic)

Scripture – [1 Kings 19:8-13](#)

Our guest minister for the last few weeks has been Rev. Dr. Victor Lujetic. Victor is a retired Baptist minister who was born and raised in the United States. He has served congregations in Ottawa and Toronto, as well as in Maryland, Virginia, and New York. Victor will be continuing to preach throughout the summer months at Trinity.

Sunday’s worship service will include the celebration of Communion. Rev. Chris Clarke will lead the Communion portion of Sunday’s service via Zoom. For those attending the service in person, prepackaged Communion supplies (which are not gluten-free) will be available.

For those who are joining the service through Zoom, please feel free to use whatever you might have on hand at home ... water, wine, or juice and a cracker, a piece of bread, or a roll.

Trinity’s sanctuary is open for in-person worship, and worship services will continue to be offered via Zoom. The link to Sunday’s service will be sent out from the Church Office on Thursday.

Our services are recorded and made available on Trinity’s YouTube channel: <https://bit.ly/3u7717U>. (Older services remain accessible from Trinity’s website.)

Jennifer has resumed office hours (9 AM – 3 PM) at the Church on Thursdays. She continues to work from her home office on Tuesdays and Wednesdays. In the event of an emergency, contact the Church Office (613-836-1429), or Trinity’s Clerk of Session, Marg Connelly.

Call Weekend with Pastoral Candidate

Brenda & John Dickie are delighted to announce the birth of their third grandchild, Caleb, born on Thursday, June 30, 2022 weighing 9 lb. 10 oz. Caleb is a second child for Erin and Byron.

OUR COMMUNITY IN ACTION

Trinity’s Search Committee has been hard at work, and is pleased to inform the congregation that a pastoral candidate has been selected! Session has approved the Committee’s recommendation and the call weekend has been set for August 19-21. A congregational meeting will follow on August 30.

More information – such as details about the candidate, the schedule of activities for the call weekend, and the congregational voting process – will be provided in the coming weeks. We encourage you to save the weekend of August 19-21 if possible!

STEM Camp has returned to Trinity this summer! Day camps are running from Monday to Friday each week. We expect approximately 30 to 40 children to be enrolled in the program. Information on the camp can be found at <https://stemcamp.ca/>

Our beautiful flower gardens need tender loving care over the summer. If you can spare an hour periodically to do some weeding, please do so at your convenience!

In order to more easily record the church services and improve the quality of the live-streaming, within the next several weeks we will be transitioning to a new setup.

We are looking for volunteers to operate the new equipment. No previous or technical experience is required and training will be provided. Please let Jennifer know if you are interested (info.trinity.kanata@gmail.com; 613-836-1429). Guy Dalbec will contact you with the details.

We have been fortunate to have the Hickeys running our services almost every Sunday since we began on Zoom. They would like a few weekends off throughout the summer. We will need to find a person or some people to set up and run Zoom at the church. The process can be streamlined so that someone just sets up Zoom, monitors it throughout the service, mutes the mic when the songs are being shared, and unmutes when the song is finished. We have a couple of people who can start the Zoom service, record it, and share the songs from their home, but if you are interested in doing any of that from the sanctuary as well, that would be great. Deb will show any volunteers how to set things up. We would also need a different person who can unmute the computer attached to the sanctuary screens when the songs are being played and then mute it when they are finished. Deb, Mike, or Liam can walk someone through how to do that. Please contact the church office if you would be willing to do this.

If no one other than the Hickeys can do Zoom from the sanctuary, then there will be a few Sundays throughout the summer that Zoom and YouTube will not be available. There also won't be a recording to post on Trinity's YouTube channel later.

We are hoping to have a minister sometime in the fall. With this new beginning, we would like to offer Sunday School for the children and teenagers. We will need Sunday School teachers. If you feel this is your calling, please contact Marg Connelly.

DONATIONS, OFFERINGS & FINANCIAL UPDATE

Thank you for your continued generosity to Trinity. Donations can be made via eTransfer, credit card (via CanadaHelps – note that Trinity incurs a fee for this service), PAR donations, or cheque.

Offerings can be dropped off at the church when Marilyn O'Brien is selling grocery cards, and they will be counted by Marilyn O'Brien and Terry Bishop. For the month of July, that will be on Thursday, July 28 between 1:30 pm and 3:00 pm.

Please do ***not*** send cheques to the church by mail at the present time. The mailbox at the road is not very secure and we are unable to check it on a daily basis. If you choose to mail a cheque, please send it to Bob & Margaret Connelly's home address.

BEYOND TRINITY

We are once again collecting food and school supplies for the Kanata Food Cupboard. With the rising inflation, many families cannot make ends meet, and the need is great – even in Kanata. We will be collecting from July 10 – September 4. You can deliver your items to the church during office hours on Thursdays, or on Sunday mornings, or to Susan Hahn's house anytime. Much needed items include crackers, lunch snacks, dried beans and lentils, cooking oil, flour, sugar, canned fruit. Financial donations are also appreciated, and can be given through the church (put 'Kanata Food Cupboard' on your envelope, cheque, or eTransfer note).

~ Thank you, on behalf of the Mission Committee

GRACEFIELD UPDATE

The Trinity Painting and Roofing Team spent June 10 – June 12 acquiring new skills as deck builders. Yes, after first having to shore up Cabin 3 at Gracefield, a team of 8 trinitarians assisted by Stuart and Deb Thomson's son-in-law, Johnny Moreno, built a new 13' by 8' deck for our sponsored cabin. In addition to the Thomson contingent (Brittany Moreno and their three young boys joined us for the weekend) were Kim and Colin Cooper, Shawn Beaton, Elaine Johnston, and Muriel and Brian Laughton.

Part of the team tore down the existing structures in the rain Friday afternoon and the rest of the team arrived to find out that removing what was there exposed a seriously rotten beam. The rotten beam had to be repaired before we could begin reconstruction.

This unforecasted task took until lunch Saturday, whereupon we completed the construction of the deck, working until late in the evening using phone and hand flashlights towards the end.

A rainy Sunday morning found us installing most of the railing and then, after a scrumptious brunch, finishing off the railing and steps. All that remains is to complete the accessibility ramp later this year.

Of course, it wasn't all work and no play. Friday night was games night, playing Bob Horsey's favourite game – Balderdash – and an abbreviated game of Wizard. Winners of both games were the female crew members; better luck next time, boys!

The team also enjoyed a campfire out of the old deck material until the wee hours of Sunday morning finishing off what was a glorious sunny day and moonlit evening at Gracefield. As always, Josh and the kitchen team kept us extremely well fed.

Total project costs to Trinity were roughly \$2,500. If you would like to contribute to the costs incurred, you are invited to make a donation to Trinity – **before July 10** – highlighting that it is for the use of Cabin 3 projects.
