Sunday School Update – Summer 2023

Thanks to Linda, Val, and Kunhwa for all they have done this past season as Sunday School teachers. They are such a blessing and have given so much!

As summer is upon us, they deserve a good break. Could you make yourself available for one Sunday in July or August to help? There is a sign-up sheet available in the binder on the back table.

It's wonderful having families with their children attending worship and it is important that we keep this momentum going.

You will not be required to teach a lesson, but rather just be there to supervise the children. I will try to have an activity ready but if you feel even more inspired that would be AMAZING.

We are hoping there will be a working DVD player we can use plus some suitable movies to watch. Although they will not get to see the entire movie, it could be continued the next week. If the weather is good, perhaps some outside activities in the closed in yard (chalk or balls) would entertain.

I hope you will find it in your heart to help out this summer.

God bless,
~ Pam

Every day we seem to be moving further and further away from "COVID" ... Yeah!!!!

However, one good thing did come from not being able to worship in person: we now are able to livestream our services every week.

There have been many challenges that we have overcome to be able to do so and it is now time to have other people take on the livestreaming tasks. There are 3 main aspects to the job:

- running & monitoring the YouTube feed
- managing the cameras
- projecting things in the sanctuary

While all of these things can be done by one person, it can be tough at times, so we are going to split the job up ... and not all of them need to be done from the AV booth.

The more people who volunteer to help means no one will have to be at church every single week and there is a bigger pool of people to call on if someone isn't available at the last minute. If you are willing to explore if one of these tasks could be done by you, please contact Deb Hickey, either in person after the service or by sending an email to the office. Some of the tasks would be great for youth, young adults, adult family members, middle agers, seniors, or anyone between any of those "stages". Help us share the Good News of the word of God beyond the walls of the sanctuary!

TRINITY MISSION ACTIVITIES

Algonquin College is hosting Wednesday evening workshops for Ukrainian newcomers affected by war. There are approximately 30 participants each week. Trinity has offered to supply baked goods on Wednesday, July 12.

Please contact Muriel Laughton for more information. Contributions can be left in the Trinity freezer anytime **before the end of the day on July 11**, but please remember to label accordingly!

Wine, Women & Song

Join us on Friday, September 22, 2023 at 7:00 pm and help us support Hospice! Reserve your tickets with Jennifer (info.trinity.kanata@gmail.com). The price is still \$50 and we promise lots of appetizers, fine fashions, pop up shops, raffles, and a grand silent auction.

Contact Sheila Brady for information and offers of help for the evening.

DONATIONS, OFFERINGS & FINANCIAL UPDATE

Thank you for your continued generosity to Trinity. Session has decided to resume collecting offerings during the Sunday morning service by passing the collection plates. It is understood that many will still prefer to make their donations via eTransfer, credit card (via CanadaHelps – note that Trinity incurs a fee for this service), PAR donations, or cheque.

Offerings can still be dropped off at the church when grocery cards are being sold. **The next grocery card day will be tomorrow – Thursday, June 29 – from 1:30 pm until 3:00 pm.**

Please do ***not*** send cheques to the church by mail at the present time. The mailbox at the road is not very secure and we are unable to check it on a daily basis.
